Guidelines for Quizzes:

This side is glued into your notebook

- Students are expected to study vocabulary terms and definitions outside of class in preparation for quizzes.
- Quizzes will occur bi-weekly.
- Each quiz is composed of 5 (random) vocabulary definitions. Students will write the correct vocabulary term that matches the definition.
- Students that score 100% on ten consecutive quizzes have demonstrated *mastery* and will not be required to participate in future quizzes.
- Students that are absent on the day of a quiz will receive an exempt/absence grade and will not be able to "make-up" the missed quiz. Consequently, absences will interrupt the student's ability to obtain consecutive scores.
- Quiz scores and dates are expected to be documented by the student on the **Vocabulary Score Tracker**.
